Life - simplicity and comfort

High-end furniture brand with international perspective, focuses on modern simplicity style. Its slogan "Life · simplicity · comfort" is also core design concept. The design concept "simplicity. comfort. elegance, nature" is rooted in every detail of products.

days of living

In life, we all seem to want it to be beautiful. You may bring nature, relaxation, and comfort into your home. In every family time, it allows you to be accompanied by the fresh natural scent of sunshine, forest, etc. with your favorite family and friends. Enjoy a relaxing journey for the mind in your own space, all the time.

SMOOTH

The back cushion can be placed freely according to your needs, allowing you to sit and lie as you like. The soft back cushion brings comfort and consideration to the waist, and highlights the atmosphere of modern life on the whole, making the space no longer depressing.

CHIC

The seating system is composed of a variety of different seats combined with each other according to demand. These units are designed to provide a variety of combinations of living spaces for conversation, reading, and utilizing a variety of entertainment media devices.

LEISURE

With its lightweight construction, the sofa is soft and inviting, comfortable and elegant. The tilt-and-turn shape is versatile for those who love a natural and casual lifestyle, creating a warm and intimate living room atmosphere.

UNIQUE

The sofa cushions are made with a unique longitudinal stitching. The lines extend neatly and elegantly to the ends of the armrests, which are slightly open and form delicate curve of real cow leather, reminiscent of the art of origami.

VIBRANT

The irregular cutting surface and modular design make it possible to maintain individuality while allowing you to enjoy comfort and freedom. It makes the layout of the space vibrant, so that you are in the embrace of happiness every moment whether you sit or lie on it.

LIBERAL

It opens up as if it were an unfolded embrace. The relaxed and casual seat cushion is made by unique longitudinal stitching, soft and warm, comfortable and elegant.

ENJOYABLE

Mixing straight&curve lines and corners provide a variety of combinations to suit different living spaces.

COZY

The timber armrest with storage function takes into account versatility and practicability.

PERFECT

The sofa is modular and composed of geometric shapes and lines in a simple way. It is paired with more fluid corners, horizontal and vertical, with the right perfect proportions.

EXCELLENT

Our experienced master craftsmen strive for excellence in every detail of the stitching to ensure a precise and perfect fit.

UNUSAL

Streamlined solid wood armrests and backrests harmonize with each other in perfect proportion, rich in chic modern aesthetics.

INTIMATE

Its armrest is actually an extension of the backrest, as touching as the warm embrace from a close friend, reflecting the harmony and unity of the rough and fine design style.

SOFT

It is a modular sofa, consisting of geometrically shaped modular units. These units work as well alone as they do in combination. By changing the overall proportions, our designers have reduced the complexity to simplicity, creating an extremely popular and soft look.

SIMPLE

It has a harmonious and balanced volume, and the delicate treatment of its seams highlights the simplicity and elegance.

QUALITY

Our designers focus on the details of each product. The soft and open armrest design allows you to relax your arms comfortably. The high-quality carbon steel foot frame is sturdy and stable, with strong compression resistance. The minimalist design style will last for a long time.

WARM

The cushion has a light structure and ample.

MINIMAL

Selected high-quality fabrics are natural and comfortable, and the minimalist and individual design brings comfort and relaxation.

AESTHETICS

The essence of this sofa lies in its balanced proportions and the perfect study on various heights. It is designed with a clever combination of aesthetics and ergonomics, comfortable, durable and pleasing to the eyes.

CLASSICAL

The pure and elegant lines show a confident classicism style. The extremely comfortable classic look embodies sensuality and sophistication.

EXQUISITE

It is characterized by a high degree of aesthetic ingenuity, exquisite details and precious finishes, interpreting the functional needs of the modern home with personality and style.

days of dining

It is a versatile and excellent dining table with minimalist lines. It is designed for a variety of living spaces and has a table top with rounded corners. Elegant finish: solid wood construction, featuring exquisite solid wood carving. The top is a natural rock panel with a natural texture to accompany your dinner.

DELICATE

The natural rock panel with a delicate texture to accompany your dinner.

ELEGANT

It has a minimalist linear design with rounded corners on the table top and an elegant finish featuring exquisite solid wood carving work.

MINIMAL

It's available in different sizes, shapes and material. The minimalist dining tables can be freely combined, showcasing clean, sharp lines in a selection of materials.

SPECTACULAR

The Long arc-shaped metal tripod is matched with the Athens gray marble countertop. Such combination of lines and surfaces creates a sharp contrast and ultimate simplicity, allowing you to enjoy dinners in comfort.

PRETTY

The table top is decorated with natural marble and the legs are three solid wood strips crossed together at right angles, whose invisible joints make the whole pretty and neat.

LIGHTER

Inheriting oriental aesthetic features, the diamond-cut legs of the table seamlessly continue to the table top, combining with exquisite structural details to make the furniture lighter in form.

days of bedding

It embodies the best combination of aesthetic and ergonomics. Our designers did extensive research work on topics related to slats, mattresses and overall design, all of which helped define the best quality of the furniture. The elegant linear look is represented by the upholstered base surround and headboard. The steel base structure features die-cast steel feet. This clever headrest cushions can be used as a support for sitting and standing backrest, thus appearing elegant and making a harmonious combination of generously distributed proportions and looking comfortable.

HARMONIOUS

It has an elegant linear look, with clever headrest cushions that can be used as support for sitting and standing backrests, thus appearing elegant and making a harmonious combination of generously distributed proportions and looking comfortable

SOFT

It is comfortable, sturdy and modern, with a warm and soft feel leather. The leather on the base and headboard is divided into several large squares, giving it character. All the bones of the bed are tightly wrapped in leather, gentle, subtle, and hidden.

COMFORT

The high-backed headboard brings a comfortable sitting experience, and the hollow, tapered legs shape a tall and straight posture.

ELEGANT

This bed is chic and elegant, like a butterfly spreading its wings, graceful and light. The simple, wide, smooth and spacious design style gives a sense of noble texture.

ORIGINAL

The minimalist design conveys a feeling of elegance. The bed screen is slightly curved and has decorative elements to double the texture. The pull point design and craftsmanship of the bed screen is both comfortable and beautiful.

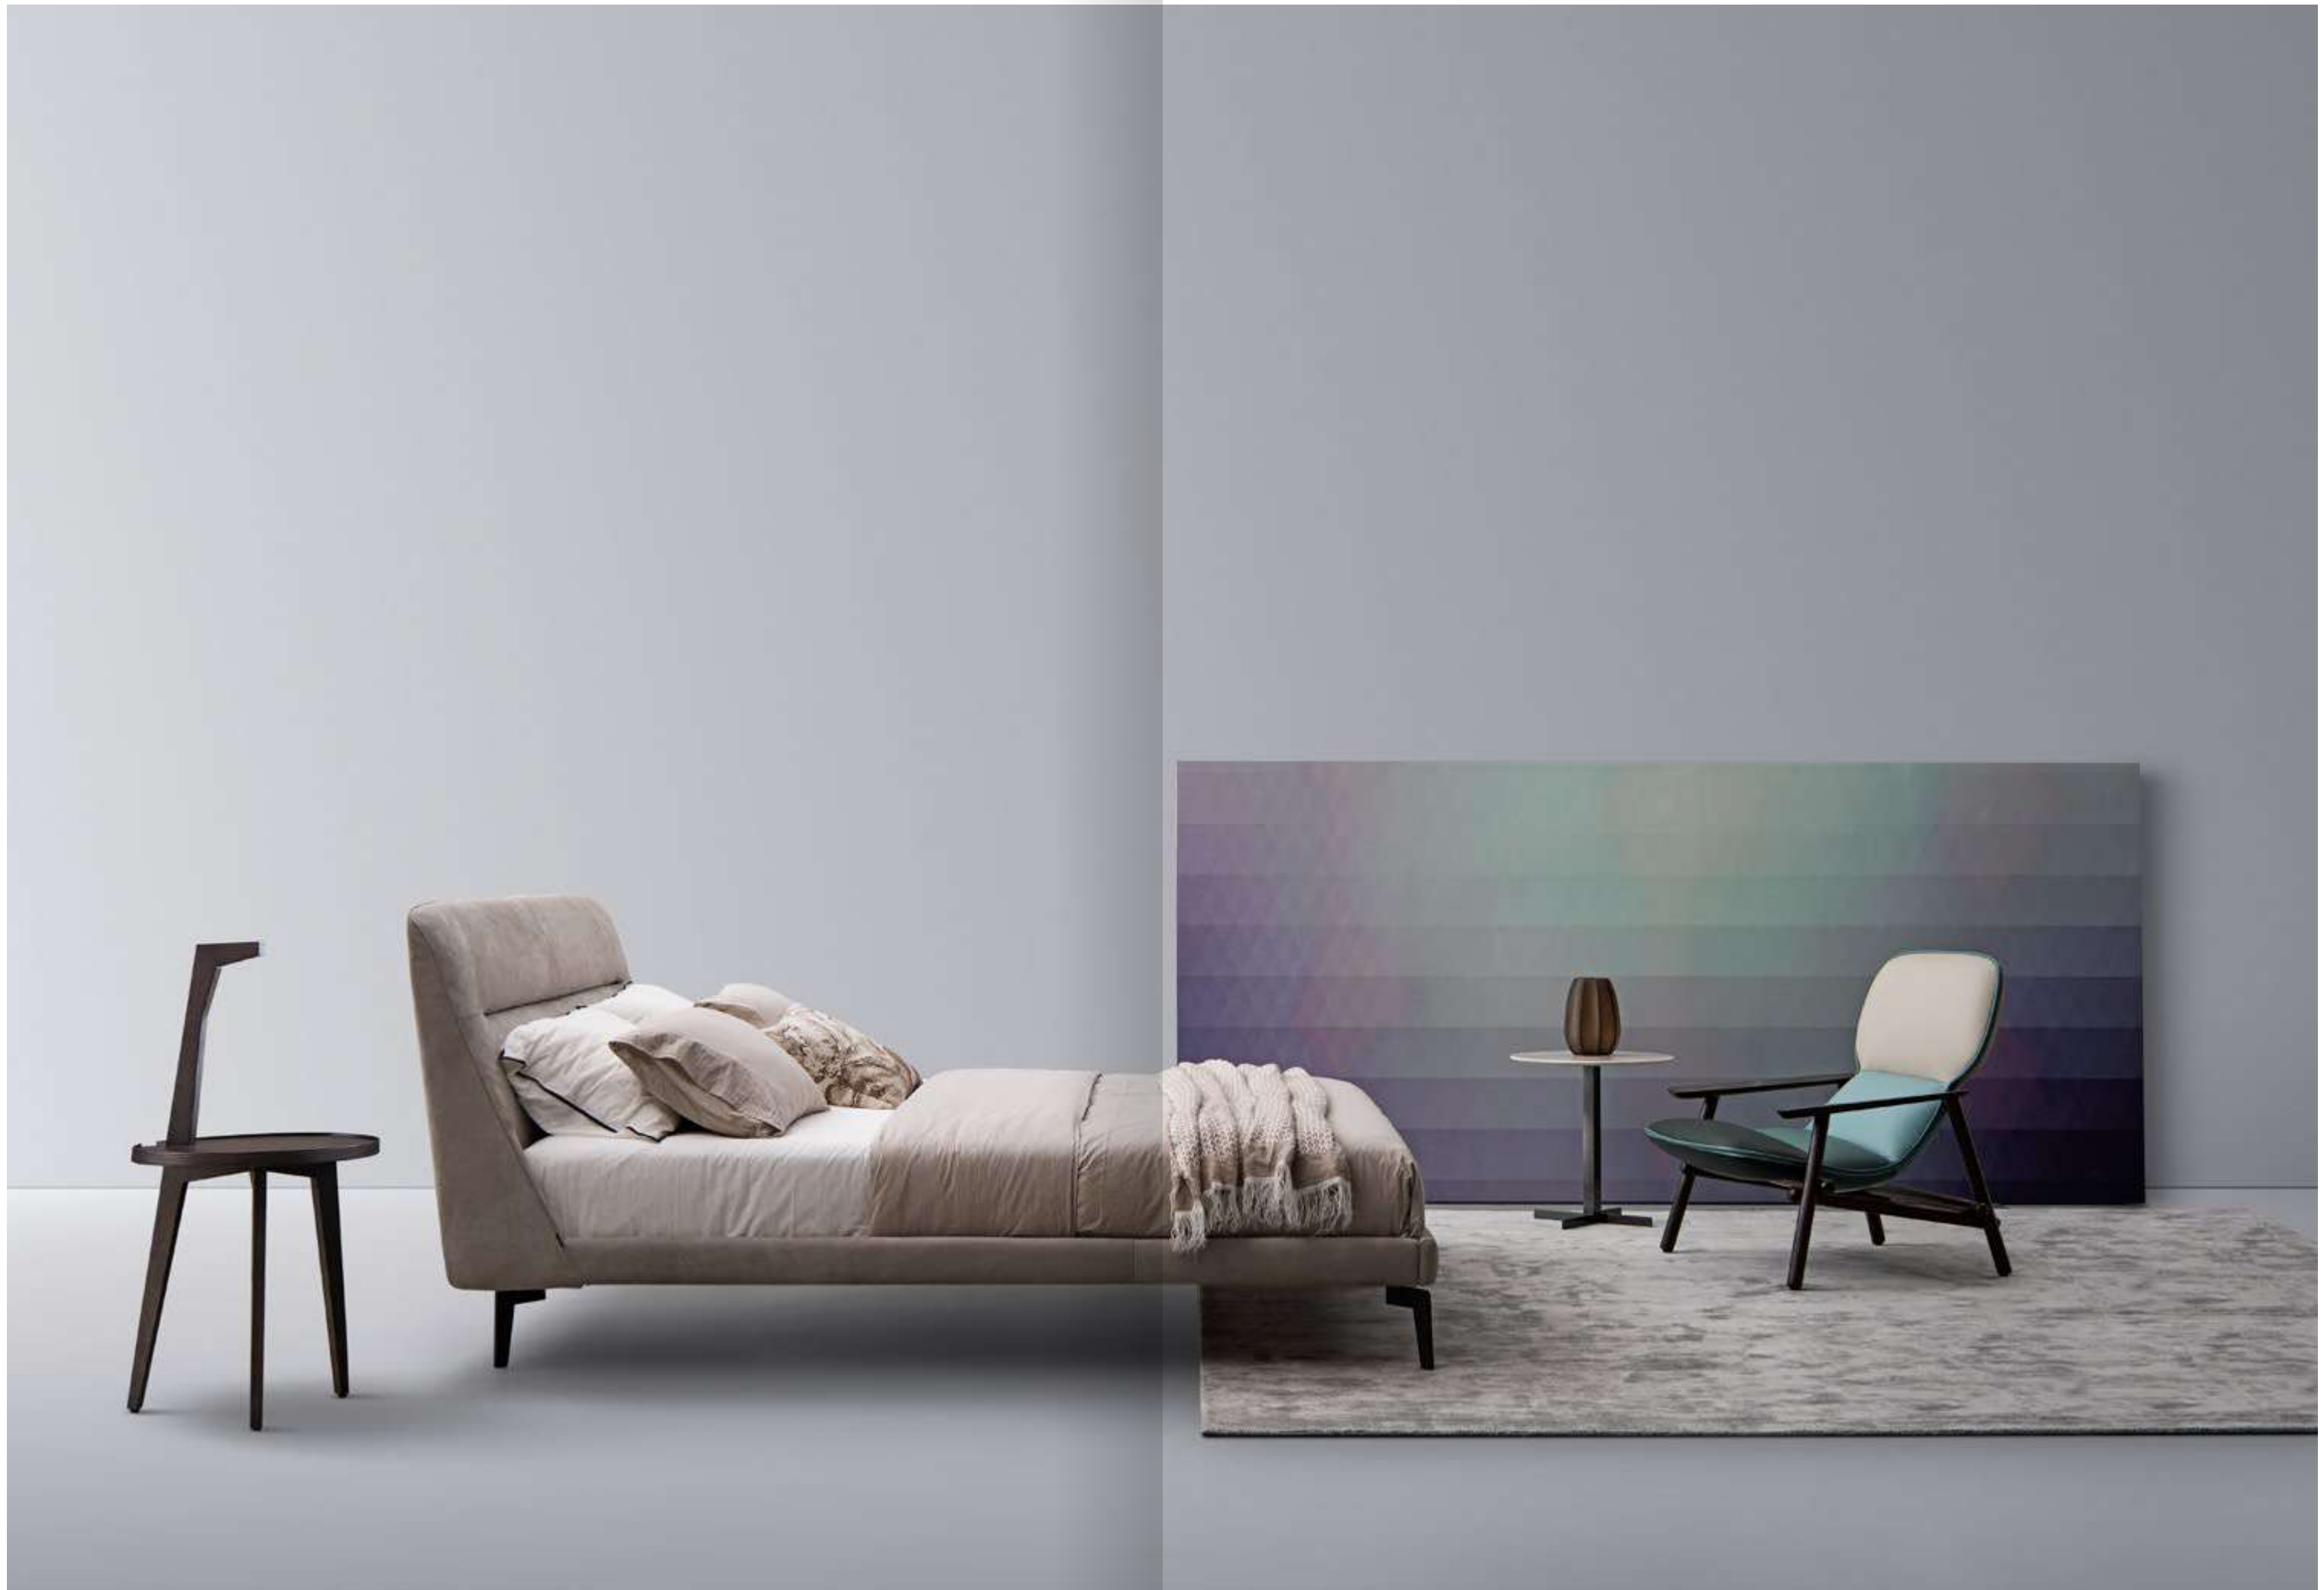

WARM

The headboard has smooth lines and the bed is wrapped by elaborate leather, which feels warm and comfortable to the touch. The leather is tanned by special techniques to make it extra soft and comfortable. Every detail of the bed is made to stand the scrutiny of the years and to last for a long time.

METICULOUS

Large and subtly proportioned, with a light aesthetic and a meticulously simple carbon steel metal shape at the foot of the bed, it easily adapts to classic or contemporary settings, providing a personalized, relaxed and elegant atmosphere for any type of bedroom..

COMFORTABLE

It is made of linen texture fabric, delicate and light, tight and strong, rich in technology and a sense of premium. The simple feeling is full of young temperament, solemn and competent. Sitting and lying on it makes you relax in every cell.

BEAUTIFUL

With the integrated molding design, the bed has a simple and spacious shape, smooth lines, soft and thick, supporting every part of the body in a balanced way. The legs of the bed are triangular shaped to provide a stable boost to the main body, integrating both the beauty and ergonomics.

TRENDY

Combined with the new concept of minimalist design, the delicate and smooth lines bring harmony and balance of beauty. The leather is cut in elegant proportions to convey your charm and vigor. It is designed as a stylish semi-loop bed screen with a super full backrest that is both comfortable and aesthetically pleasing.

Beauty Wander Around

The elegant design brings a high quality of comfort, and a straight and stable silhouette with angles and shape, beautiful and valiant. The serene blue color makes people inadvertently unwind and forget all about the fatigue of life.

GENEROUS

To create a simple office home environment, it is equipped with an solid wood frame, elegant and generous leather wrapped desktop, elaborate and sophisticated materials and finishes. The minimalist design makes it possible to set up in the bedroom space as a small dressing.
